Imagine the Des Moines Public Library in 2025. Help us understand what will change and how we can exceed your expectations!

The Des Moines Public Library is holding focus groups as a part of its strategic-planning process to learn about what you would like to see in the Des Moines Public Libraries in the future.

Do you **live in Des Moines?** Do you **use any Des Moines Public Library services or attend Library events?** If so, then we need YOU! Check out the different groups and tell us what you think.

Des Moines Public Library Focus Groups

- » **Registration is required and space is limited.**
- » Please register early by calling **515-237-0324** or register directly using the corresponding link to the left.
- » We will confirm your registration.

We encourage you to participate now to help keep our libraries serving residents, organizations, and the community in the near and distant future.
